TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Conway, County of Carroll, in said State, qualified to vote in Town affairs:

You are hereby notified to meet at the Conway Elementary School Auditorium at Conway, New Hampshire, on Tuesday, the 9th day of March, 1971, at nine o'clock in the forenoon to act upon the following subjects hereinafter set forth. The voting on Article 1 will be by official ballot, and the polls shall open for balloting at nine o'clock in the forenoon and shall not close before 7:00 o'clock in the evening. The remaining articles of the warrant shall be acted upon at 7:00 o'clock in the evening or at the closing of the polls if the meeting shall vote to keep the polls open to a later hour.

Article 1. To choose all necessary officers.

Article 2. To see what sum of money the town will vote to raise and appropriate for the following purposes:

- Section a. Town officers' salaries
- b. Town officers' expenses
 - c. Office expenses
 - d. Election and registration expenses

- e. District Court expenses
- f. Expenses town hall and other town buildings
- g. Appraisal of property
- h. Employees' retirement and social security
- i. Police department
- j. Fire department
- k. Blister rust and care of trees
- l. Insurance
- m. Damage and legal expenses
- n. Civil defense
- o. Health department, including hospitals
- p. Vital statistics
- q. Town dump
- r. Maintenance of highways — summer and winter
- s. Town road aid
- t. Libraries
- u. Town poor
- v. Old age assistance
- w. Memorial Day
- x. Soldiers' aid
- y. Parks and playgrounds
- z. Interest on temporary loans, bonds and notes
- a-1. Class IV urban
- b-1. New equipment
- c-1. Bonds and notes
- d-1. Perambulation of town lines
- e-1. Capital reserve for survey of streets and tax map
- f-1. Assessing and tax map maintenance
- g-1. Planning Board
- h-1. Conservation Commission
- i-1. County tax

Article 3. To see if the town will vote to authorize the Selectmen to hire upon the credit of the town such sums of money as may be needed, such sums not to exceed the combined School, Town and County tax budget, in anticipation of taxes for Town, County and School purposes.

Article 4. To see if the town will vote to raise and appropriate the sum of \$17,000 for ambulance service for one year, contracted for under Article 17 of the March 10, 1970 town warrant. Recommended by Budget Committee.

Article 5. To see if the town will vote to authorize the Selectmen to contract with the present ambulance service for a five-year period, commencing April 1, 1972. Recommended by Budget Committee.

Article 6. To see if the town will vote to raise and appropriate the sum of \$295,000 for the purpose of financing, and constructing a

new covered bridge, abutments, and approaches, over the Swift River in Conway, New Hampshire, and to procure easements and rights-of-way as are required, such sum to be raised by the issuance of not exceeding \$295,000 in bonds or notes, in compliance with the provisions of the Municipal Finance Act, and to authorize the Selectmen to issue and negotiate such bonds or notes and to determine the interest rate thereon, and to take such other actions as may be necessary to effect the issuance, negotiation, sale and delivery of such bonds or notes as shall be in the best interests of the Town of Conway. Recommended by Budget Committee.

Article 7. To see if the town will vote to raise and appropriate the sum of \$295,000 for the purpose of financing, and constructing a steel and concrete bridge, abutments, and approaches, over the Swift River in Conway, New Hampshire, and to procure easements and rights-of-way as are required, such sum to be raised by the issuance of not exceeding \$295,000 in bonds or notes, in compliance with the provisions of the Municipal Finance Act, and to authorize the Selectmen to issue and negotiate such bonds or notes and to determine the interest rate thereon, and to take such other actions as may be necessary to effect the issuance, negotiation, sale and delivery of such bonds or notes as shall be in the best interests of the Town of Conway. Submitted by Budget Committee without recommendation.

Article 8. To see if the Town will vote to transfer the sum of \$20,000 from the Trust Fund for Survey of Streets and Tax Map to the Conservation Fund for the purchase of land for conservation purposes. Agreeable to a petition signed by Richard Smith and others. Recommended by Budget Committee.

Article 9. To see if the Town will raise and appropriate the sum of \$57,500 (\$20,000 to be reimbursed by Federal Funds) to purchase the Whitaker property in North Conway known as Lot No. 12, Map No. 19 as referred to in the Town of Conway Tax Map dated 1969, excluding the Rye Field so called. Agreeable to a petition signed by Richard Smith and others. Recommended by Budget Committee.

Article 10. To see if the town will vote to exempt the principal boundaries of the White Mountain Airport that are maintained and available for t/o, landing, taxiing and parking of aircraft using said airport, according to N. H. law allowing towns by majority vote at any regular town meeting. Chapt. 72,72:38, 1963. Agreeable to a petition signed by Forrest P. Saunders and others. Submitted by Budget Committee with no recommendation.

Article 11. To see if the Town of Conway will clean and plow the runway and taxiway at the White Mountain Airport, North Conway, during winter operations, under the authority of Chapter 31, RSA 31-4 powers of towns to appropriate assistance to aid in mainte-

nance and operation of aeronautical facility. Agreeable to a petition signed by Forrest P. Saunders and others. Submitted by Budget Committee without recommendation.

Article 12. To see if the town will raise and appropriate the sum of \$3,000 to be evenly divided between the Chambers of Commerce in Conway and North Conway for operation of information booths in both villages. Agreeable to a petition signed by Robert S. Morrell and others. Recommended by Budget Committee.

Article 13. To see if the town will vote to raise and appropriate the sum of \$1,800 to help support the Home Health Agency of the Memorial Hospital to continue home nursing care for the people of Conway. Agreeable to a petition signed by Arthur F. Brown, Jr., and others. Recommended by Budget Committee.

Article 14. To see if the town will vote to raise and appropriate the sum of \$1,000 (one thousand dollars) to help defray the expenses of the Water Safety Program as carried on by the Conway Chapter of the American Red Cross. Agreeable to a petition signed by George Reny and others. Recommended by Budget Committee.

Article 15. To see if the town will raise and appropriate the sum of \$2,200 to assist the Carroll County Mental Health Service, Inc. Agreeable to a petition signed by Pamela T. Fisher and others. Recommended by Budget Committee.

Article 16. To see if the town will vote to raise and appropriate the sum of \$1,200 for the purpose of uniting with the 45 other towns in the White Mountains Region Association in the co-operative development of the North Country's economy. Agreeable to a petition signed by Richard G. White and others. Recommended by Budget Committee.

Article 17. To see if the town will vote to instruct the Selectmen to sell all real estate in the town to which the town has title by Tax Collector's Deed, all such real estate to be sold and conveyed on or before December 31, 1971.

Article 18. To act upon any other business that may legally come before said meeting.

Given under our hands and seal at Center Conway, this 22nd day of February, 1971.

Town of Conway Selectmen's Report

At the 1970 Town Meeting, money was voted and plans approved to enable the Board of Selectmen to institute certain innovations and changes in Town government which would greatly increase efficiency, if not lower the cost of operation. A Safety Commission was appointed by the Board in April. The function of this Commission is to investigate and recommend safety and emergency precautions in the Town and to make available certain Federal and State funds to implement these measures. Most of its efforts to date have been spent investigating the possibility of a municipally owned ambulance service.

A Conservation Commission was authorized at the 1970 annual meeting and was subsequently appointed by the Board in April. Its efforts have been spent following up the possible purchase of the C. Wallace Whitaker property as discussed at various meetings and hearings. The Board of Selectmen is unanimous in urging the Town to acquire this parcel as it will have tremendous value to us as a town in the future.

Pursuant to previous negotiations, the Board contracted with the Arlington Trust Co. of Methuen, Mass., to set up the Town assessment records on a computer system so that our records would not only be more accurate but also to save time in getting out the tax bills once the rate is set in the fall. It was quite a struggle in the Town Office to prepare for this but due to the diligence and efforts of Mrs. Beatrice Senior and Mrs. Anne Bartlett, we made the deadline and our assumptions proved correct. Many side benefits resulted which we did not plan on.

To further complement assessing procedures, the Town voted to hire an assessor to take over the assessing duties of the Selectmen. This was done in June and Mr. Edward Greene of Keene, N. H., began his duties in the fall. As part of his office, he will take over the Tax Map maintenance which heretofore was done by the James Sewall Company of Old Town, Me. The Board of Selectmen feel that instituting the computer system for tax records and hiring an assessor are giant steps in the most important function of municipal government. We hope to employ the computer system in other areas to further increase our accuracy and efficiency.

An area open pit incinerator experiment to replace the Town dump was finalized in April and due to many favorable local assets, including advance preparation, Conway was chosen as the site. This project is largely federally funded, the balance being assumed by the towns in Mt. Washington Valley. This is a new concept and while minor technical difficulties arose, the plant is built and in the spring

will be completed for operation by June first. The Town of Conway subsequently received a Conservation award in November from the R.C.&D. Commission of the three northern counties.

After much deliberation and investigation, the Board of Selectmen selected and purchased a Sno-Go snowblower in May, which had been provided for at Town Meeting. By purchasing a slightly different model than anticipated, and by bargaining a little, we saved about \$15,000.00. This unit was delivered in November and should give many years of service. It has seen plenty so far this winter.

Pollution of all kinds is on the tip of everyone's tongue these days and rightly so. As automobiles are a major source of pollution, the Conway Board has pioneered in municipally owned vehicles and purchased a truck powered by propane gas. This was done in June and so far has proven satisfactory. Before a final judgment can be made, however, we have to operate it over a longer period of time.

Included in this year's warrant is authority to bond for the replacement of the Swift River covered bridge. This bridge was closed to heavy trucking last March. We have repaired it to the best of our ability, but to make any major repairs would be poor economy. We have received estimates for two alternates from the State Highway Department, the cost being the same for each. One alternate calls for the conventional concrete and steel structure and the other calls for an authentic covered bridge with rot-resistant lumber. Both bridges have a twenty ton load rating and include new straight approaches to eliminate the hazards we have on the existing bridge. After much investigation and soul searching, the Board is unanimous in favoring a new covered bridge. Space does not permit me to enumerate our reasons.

To keep pace with industry and also to reward our old time employees, the Board has included in the budget this year money to institute a retirement system to supplement Social Security. Conway will become part of the State retirement system which requires contributions from the employees as well. This has been approved by the employees.

In spite of large increases in tax exemptions due to new categories such as the elderly exemption, more veterans exemptions, and loss of stock in trade, Conway was able to hold the tax rate increase to \$2 per thousand or about 7½%. This was largely possible through a net real estate increase of about 1.6 million dollars and other unexpected pluses. With a growing community, increased services are demanded and consequently budgets must go up. Our only hope is that we are able to deliver a dollar's worth of services for a dollar spent. Your Board is dedicated to that premise and with everyone's help, we shall accomplish that end.

CHESTER B. LUCY, Chairman
Board of Selectmen

REPORT OF THE PLANNING BOARD

Subsequent to the vote, at the March 1970 Town Meeting, so authorizing it, the Planning Board drew up Subdivision Regulations which were duly published, advertised and discussed at two Public Hearings last summer. They were officially adopted on the first of September, 1970.

Since that time, the Planning Board has met regularly twice a month, in the Town Hall. It has reviewed and approved plats for 11 different subdivisions in the town and has met with cooperation on the part of all the subdividers concerned.

The Board will continue to meet on the first and third Thursdays of each month at 8 p.m. in the Town Hall. Copies of the Subdivision Regulations may be obtained from the Town Clerk.

Eugene Hussey, Chairman
Chester Lucy
Thaddeus Thorne
Phyllis Greene
Larry Frunzi
Richard White
Nancy Earle, Secretary

REPORT OF THE LIBRARY TRUSTEES

The growth in the services of the Conway Public Library during the past year gives the trustees cause for gratification. Though there have been several emergency situations and a number of unusual problems, the following statistics show progress:

	1970	Increase Over 1969
Circulation	27,438	3837
Reading Room Attendance	4,880	1253
Reference Requests Fulfilled	433	101

At the end of March we were faced with a serious problem when Mrs. Elverton Berry retired as librarian after being connected with the library for 26 years, 16 as librarian. Fortunately Mrs. Henry Towle, who had been assistant librarian for 16 years (acting librarian part of the time), was willing to serve as acting librarian until a new librarian could be engaged. We were faced with another problem when she required hospital treatment in April and was unable to work for several weeks, but Mrs. Berry kindly came to our assistance in this emergency and acted as librarian until Mrs. Towle returned. Mrs. Towle worked full time, with only one part-time assistant, from June to October.

It was not easy to find in this area a qualified person who would be interested in taking this part-time position at the salary offered. I interviewed 10 applicants during the summer and finally succeeded in presenting two candidates to the Board of Trustees at their quarterly meeting in September. The Board voted to engage Mrs. Kenneth Marschner on a probationary basis for two months, to be trained for the duties of this library by the acting librarian. Mrs. Marschner is a graduate of Waynesburg College in Pennsylvania but had had no formal library training. She immediately found the work to her liking and made rapid progress. In December the trustees asked her to continue, with added responsibilities, and they were so pleased with her work that at a special meeting in February they appointed her librarian, beginning March 1. They greatly appreciate Mrs. Towle's hard work and devotion to the interests of the library during this period and are pleased that she is willing to continue as assistant librarian. For personal reasons she had not wished to become librarian.

In June there was a special exhibit of publications by 46 Conway authors which attracted much interest and attention. During the exhibit there were six open meetings, with talks by five of the authors and the brother of another: Erma Perry, Ira Glackens, Cecilia Gregg, Sue McConkey, Helen Nute, and the brother of Charles E. Beals, Jr. These meetings were so well attended that extra chairs were needed and kindly provided by the proprietors of the Presidential Inn. During this exhibit circulation increased considerably.

In October three of the trustees and Mrs. Towle attended the annual convention of the New England Library Association at Portsmouth for one day. Mr. Kroner represented the Conway Library at various meetings; the others spent a profitable day at the book exhibits and were greatly helped in choosing new books.

During Children's Book Week there was a very successful open house, with exhibits of the many new books available. Again circulation increased considerably.

In December, because of requests from several people at the meetings in the summer for evening meetings in the winter, a book discussion was held under the leadership of the chairman of the trustees, and there are plans for continuing such discussions. The Conway Woman's Club was interested in decorating the library for Christmas. A tea held at the home of Mrs Maurice Lovejoy raised money for the project, and the lighted trees on the grounds and in the building, as well as the other decorations, were very attractive. The interest of the Woman's Club on other occasions, especially at each open house, is much appreciated.

In January 1971 we were fortunate in engaging Mrs. Richard Davidson as trainee for assistant. We needed another assistant badly, as the Neighborhood Youth Corps had not provided one paid by federal funds since June. Mrs. Davidson is a graduate of the University of New Hampshire and has studied in France. She is very much interested in the library, and so is her husband, and they have volunteered their services in several unusual projects. They prepared the interesting exhibits which have been in the library during February and plan to have one on photography in March. Mr. Davidson has written some excellent publicity for the library that has appeared in the newspapers.

During 1970, twelve new chairs were purchased; one of the stained glass windows which had been broken from outside was replaced; loam was spread on the grounds; old trees were cut down and the stumps removed; and five new trees were purchased and planted.

Respectfully submitted,
Helen E. Nute
Chairman of the Trustees

Report of the Conservation Commission

After the Conservation Commission was voted in at the 1970 town meeting, the selectmen appointed the following members: Miss Liberty SantaMaria, Conway; Verland Ohlson, Conway; Mrs. Frances Kennett, Conway; Mr. Herman Ostermaier, North Conway; Commander Robert Marvel, Center Conway; Mr. Noyes Heath, East Conway and Mr. Richard Smith, North Conway. During the year Mr. Ostermaier found it impossible to continue on the Commission and resigned. He was replaced by Mr. Robert Swett of East Conway.

The first several meetings were held with representatives of the County, the Extension Service, the State Resources and Economic Development Commission, The Society for the Preservation of N. H. Forests and other officials who were helpful in informing the Commission of its duties and potentials.

Several projects have been discussed, but most of our time has been devoted to plans for purchasing the Whitaker Property in North Conway. A tour of the property was conducted for the public on December 6th. A good turnout enjoyed the walk. A meeting open to the public was held on the evening of January 21st. The group attending was smaller than we had hoped for, but this may have been due to the bad weather conditions and poor driving that evening. Members of the Commission have spoken to several local clubs and organizations.

Respectfully submitted,

Liberty SantaMaria
Verland Ohlson
Frances Kennett
Robert Marvel

Water Safety Program — 1970

In 1970, we again asked for \$1,000 for assistance with the Water Safety Program for the Town of Conway. 376 children were enrolled in classes. Center Conway children attend class at Conway Lake. Conway village children have been very fortunate in the past and had a choice of attending either the first session with children from Madison, which was taught at Silver Lake, or the second session which was taught at Crystal Lake, with pupils from Eaton. Children from North Conway, Kearsarge, Intervale and Redstone attend classes at Echo Lake, in North Conway.

The expenses for 1970 are listed. Salaries and mileage are combined:

Crystal Lake (at Echo Lake, after first week)	\$386.88
Conway share at Silver Lake	140.84
Echo Lake	532.24
Conway Lake	130.24
	<hr/>
	\$1,190.20

The Conway Chapter, American Red Cross, the co-sponsor for this program, pays all of the other expenses connected with the program. This includes training of the instructors. One instructor was trained in 1970. This cost \$70. Because of our first session with Madison children, a WSI (Water Safety Instructor) rather than a Water Safety Aide, was hired. The additional cost of this was \$41.92.

The program will probably cost at least \$200 more in 1971, due to possible additions in instructors and increased need for instructors to travel farther to work. Again, a trained Water Safety Aide will be needed at Echo Lake to help with the children in the Advanced group of Beginners. The increase in the Chapter share of Social Security will add slightly to the total expense.

On January 24, a Conway student asked to be a Volunteer Water Safety Aide this summer. She will give 80 or more hours of practice teaching. Last summer, several of our staff gave an afternoon a week teaching the children involved in the Water Safety Program sponsored by the Conway Association for Retarded Children.

REPORT OF THE POLICE COMMISSION

The Police Commission feels a sense of accomplishment as respects the operation of the Conway Town Police Department during the year 1970. The Commission is also aware of the areas that need further improvement and with continued effort on the part of the Commission, all police officers and the taxpayers of our community, a professional police department is entirely possible in the foreseeable future.

All officers presently serving with the department have successfully passed the State Examination for Police Officers as well as physical examinations. An active training program has been instituted and all officers are required to attend these programs.

With the ever-increasing number of complaints and arrests being handled by the Police Department, it is apparent that every effort must be made to properly equip and staff the Department. The Commission would like to see the Department provided with up to date equipment, ample manpower and all else needed to provide adequate protection to the community and at the same time do so with the financial interest of the taxpayer in mind. The Commission wishes to thank the Town Selectmen for their support during the past year and a special thanks to Dr. George Spring, whose kindness and generosity has provided physical examinations to Department Personnel.

REPORT OF THE HIGHWAY SAFETY AND AMBULANCE COMMITTEE

To the Board of Selectmen, Town of Conway, N. H.

Pursuant to an article in the warrant for the Conway Town Meeting in March, 1970, the Board of Selectmen appointed a committee composed of the following individuals: Arthur Desjardins of Redstone, Howard Dickinson of Center Conway, William Dionne of North Conway, Police Chief Albert Lane of Conway, Carl Rines of Conway and Richard White of Conway. In addition, Janice Weinraub frequently attended committee meetings and was of great assistance because of her experience in the organization of a volunteer ambulance service in Fairport, New York.

The committee met frequently throughout the year to discuss all the possible alternatives for providing Conway and the surrounding towns with adequate ambulance service.

At present the town receives excellent service from Richard White and Robert Randall. Furthermore, their first class service is being supplied at the lowest possible cost to the area.

Due to personnel and communications problems, it would be difficult to coordinate an ambulance service with either the North Conway Fire Department or the Memorial Hospital.

Contracting for ambulance service from an ambulance company outside Mount Washington Valley was explored. For a service similar to what we receive today, it would cost the town \$50,000 per year, and the cost per individual call would be double what it is now.

The possibility of the Town of Conway investing in its own equipment and operating an equivalent service was studied in great detail. It was found that an initial investment of \$105,000 would be necessary, along with an annual operating cost of \$88,000. These figures would be reduced by some 20% if the town operated a central communications installation for all emergency services and a centralized municipal service center which could be shared by police and ambulance personnel and equipment.

It is the opinion of this committee that an additional five-year contract be negotiated with Mr. Randall and Mr. White, to continue with their present service, if it can be supplied close to the present cost per year.

Respectfully submitted,
HOWARD C. DICKINSON
Chairman

REPORT OF THE CHIEF OF POLICE

The year of 1970 has come and gone and we are now embarked upon another year; what we feel will be a bigger year for Law Enforcement gains in Conway.

In last year's town report, I reported to you that a lot of organizational changes would be made to upgrade the Department. Of the changes made during 1970, the one that stands out in our minds is our records and file system. This system, although time-consuming and complex, has developed to the point that other agencies in law enforcement and public service have gained a lot of confidence in us whereas, we no longer have to depend on our memories about past events, i.e.: crimes, accidents, etc. Every complaint, name or sus-

picion which came into our department has been filed, categorized and recorded, which will enable this information to be used in the future criminal cases we will be investigating.

An increase in training was provided for the members of the department. This was done in the areas of in-service training as well as specialized seminar training classes. During the winter and early spring, there were fifteen weeks of one night a week training sessions for all members of the department; a first-aid school was attended by some, along with seminars at St. Anselm's College on Juvenile Delinquency. In the fall, we all attended a two-day Firearms School here in Conway which was instructed by the Federal Bureau of Investigation; then this winter, four men took advantage of sessions in bomb threat and bomb handling procedures.

An upgrading of our radio system was completed as we now have direct radio communication with the New Hampshire State Police via Troop F in Twin Mountain, N. H.

Additional changes will again be made this coming year in our ceaseless effort to provide our citizens and visitors with the best possible law enforcement possible. New equipment was purchased by the department, all of which has been a great aid to enable us to give you better police protection. This equipment was in the area of Strobe lights and electronic sirens for the cruisers, camera equipment to upgrade our criminal investigation and accident scene recording, new firearms for some of the personnel and an increase in muchly needed office equipment.

Although late in the year, we received our radar unit. After an extensive training period for the officers using the unit, it was placed into service. We found by using the radar in some areas which we thought were high-speed zones, that the movement of cars were not as fast as we surmised; plus, on the other hand we found areas that had previously disregarded that turned out to be high violation zones. The unit also helped us to work a "chronic-speed" area, where, in the past even though we had numerous complaints, by the time an officer arrived, the violator was long gone. Although the unit was used sporadically, we did prosecute 24 violators in court on excessive speed in result of the radar and a total of \$440 was paid in fines, with all being found guilty by the court.

In the above reference to the Conway District Court, this department took 439 cases before the court, in areas of 24 felonies, 102 misdemeanors and 313 motor vehicle violators. A total of 663 criminal cases were heard in the Conway Court with a total of \$7,101.29 being turned over to the Conway Treasurer. This is an increase of \$3,922.14 over the \$3,179.15 which was turned over by the court to the town in 1969.

The following is a compilation of police activities of the Conway Department for 1970.

Complaints and information calls received by dispatchers	10,656
Complaints investigated by officers	2,458
Arrests and summonses	498
Warnings	334
Accidents covered and personal injury, property damage	297
Fatal accidents	5
Nighttime check-ups	515
Defective equipment tags issued	290
Parking tickets	536
License suspensions recommended to motor vehicle dept.	22
Aid motorists	285
Doors found open nighttime	228
Dog restraining orders served	9
Assist other departments	163

At this time I would like to point out that the above list of daily activities would not have been possible if you, the citizens of Conway, did not have the confidence in us to request our assistance. We, as a department, would like to thank you one and all for the confidence shown us in the job that we are doing. Along with this co-operation, we were able to recover some \$10,569.93 worth of stolen property. This is against the total of \$16,709.22 worth of property reported to us as stolen in 1970.

Again, in 1971, we intend to continue our efforts to give the community the protection it deserves.

With stricter requirements imposed upon us by the courts, we have to delve more deeply and meticulously into each case for proper presentation to the court. This will mean a great deal of time spent on these cases and can mean a loss of the uniform being seen on our streets. Last year, of the eight full-time men allotted to the department, we spent a combined total of 22.5 weeks of overtime, this being uncompensated time. Most of this time was spent in preparation of cases; some of it was spent by the men attending training sessions on their "off-duty" time. This overtime can only be reduced by these men having more assistance per case and on relief from having to train on their own time.

At the present, there are five men attending St. Anselm's College in Manchester. These men are taking courses for which credits received can be applied toward later receiving a degree in Law Enforcement. This is a nation-wide movement to get police officers into college to enable them to deal with present day social problems, therefore professionalizing the law enforcement field.

This year we will be adding more new equipment to the department, concentrating in such areas as technical and training aids.

Along with this equipment we will upgrade the dispatching area of the department; this to be done by offering more pay for dispatchers and requiring them to pass an examination to be given by the New Hampshire Personnel Department before they are employed.

During the year, it is hoped that at least one member of the department can be released from uniform duty to become the start of developing a department investigator. This is hoped to be done after the hiring of a department clerk-secretary.

More contact and application to agencies in New Hampshire that disburse Federal aid to law enforcement agencies will be pursued. There are a lot of funds available to assist us in acquiring more equipment and manpower without any further burden upon the taxpayers. Some of these agencies can disburse funds on a basis of 25% town funds matched by 75% Federal funds on approved projects.

Again, we feel that any improvement or efficiency to be gained by this department has to go hand in hand with the cooperation of you, the citizens, so again, our "thank you" for your help in 1970 and we are looking forward to a continuing good rapport with you in 1971.

Thank you,

ALBERT G. LANE
Chief of Police
Conway, N. H.

REPORT OF THE TRUST FUNDS OF THE TOWN OF CONWAY, N. H., ON DECEMBER 31, 1970

Date of Creation	Name of Trust Fund Purpose of Creation	How Invested	Amount of Principal	Balance Beginning Year	Income During Year		Expended During Year	Balance End Year
